

## Hall Farm Shop Summer 2015 News Letter

### HAMPERS

Always a great gift solution, our attractive Hampers can be made up to your requirements to offer that special touch of luxury.

Choose from a range of products in the shop & let us do the hard work for you. Our Black hamper boxes or wicker baskets include filling, cellophane and are finished off with a bow.

Richard, Gail, Sue  
& Jake

**Butchery Manager:**  
Eamonn

**Butchery Assistants:**  
Ron & Matt

### SHOP OPENING TIMES

**Monday – Saturday**  
9am – 5pm

**Sunday**  
10am – 4pm

### Butchery

Eamonn, Ron and Matt in the butchery are happy to give you advice on their meats, and cut to your requirements. Also watch out for their special offers to help make mealtimes even better.

As the weather improves, they will have new and exciting bits for those barbecues.

### Gift Vouchers

Now available in the shop for use all across the site. Valid for one year, they make a fantastic gift. They can be sold for a monetary figure, or a cream tea.

### GLUTEN FREE PRODUCTS

In the shop we sell a variety of gluten free products, having our main section at on the widow shelf towards the butchery, as well as a few pieces around the shop.

We now supply Oast to Host products, both pastry mixes and ready made as well as delicious ready made cakes and desserts.

If you have particular requests or are not sure of a product please speak to a member of staff who will do their best to help you.

### FREE FARM TRAIL

Please enjoy the summer weather on our new farm trail. Open from 10am to 4pm daily, you can buy a child's lunch box for £3.50 including a free tub of animal food from the shop.

Also under the till area is food for the animals, at 50p per tub it will save them trying to eat yours.

### TASTER DAYS

OVER THE NEXT FEW WEEKENDS WE WILL BE HAVING SOME OF OUR SUPPLIERS VISITING US WITH SAMPLES OF THEIR WARES. COME ALONG AND JOIN US TO TRY THEM. LOOK OUT FOR DATES ON OUR WEBSITE.

### LOCAL PRODUCE

At the end of the shop we have a range of several different chutneys, preserves and honey which are all sourced locally, using local ingredients where possible for delicious tasting results.

### Asparagus.

As summer approaches we now have a regular supply of fresh, locally sourced asparagus, and watch out for the fresh fruit and vegetables as their seasons approach.
