Butchery

Ron and Ben in the butchery are happy to give you advice on their meats, and cut to your requirements. Also watch out for their special offers to help make mealtimes even better. As the weather improves, they will have new and exciting bits for those barbecues.

If you haven't already tried our kiev's and schnitzels they make a quick and easy treat after a busy day.

Gift Vouchers

These can be used in either the shop or Cafe. Valid for one year, they make a fantastic gift. Vouchers can be purchased for a monetary figure, or a cream tea.

FREE FARM TRAIL

Look out for the new baby lambs, which will soon be on our new farm trail.

Open from 10am to 4pm daily, enjoy the various other animals, and feed them with the food which can be purchased from the shop or the snack shack.

Anchor Bakery.

As well as our delicious fresh bread which comes in daily from Capel St. Mary we have now started to stock a specialist bakery for the weekends which supply spelt loaves, sourdough, and Rye loaves, as well as a few flavoured foccoccia loaves for you to enjoy.

Plants

We now have a selection of spring flowering bulbs at the front of the shop, ready for the better weather to cheer us up.

If you need any advice Will is our gardening expert and he will always impart his knowledge if you need it..

SNACK SHACK

At the beginning of the farm trail we now have the snack shack which will be open again during the Easter holidays. You can purchase hot or cold drinks, ices and snacks. There is also the picnic area to sit and enjoy your treats.

LOCAL PRODUCE

At the end of the shop we have a range of several different chutneys, preserves and honey which are all sourced locally, using local ingredients where possible for delicious tasting results.

SCRUMMY CAKES.

The kitchen provides us with a selection of cakes, scones and pastries daily for that delicious treat.

A particular favourite is their gorgeous chocolate brownie.
