DELICATESSEN

Enjoy our amazing selection of cheeses, both local and international. If you would like a taster to help you make a selection please feel free to ask. If you would like any help selecting cheese for a special occasion please speak to our deli staff for some advice.

Butchery

Look out for our spring special offers, and don't forget our award winning sausages for a tasty and easy midweek treat.

READY MEALS

We have now added a third freezer to our bank near the butchery, so that we can add to our range of Hall Farm produced delicacies. Look out for our extended range of ready meals and soups to make life easier.

Now that spring is on its way, see the front of the shop for your planting needs.

We now welcome the expertise that Tina can bring with her knowledge of plants, so please feel free to ask for advice.

Jake's Healthy Banana Pancakes

2 ripe bananas

2 eggs

Natural yoghurt & blueberries to serve.

Whisk together the bananas and eggs. Shallow fry in a little olive oil, until golden on both sides, and serve while still warm with a dollop of natural yoghurt and some fresh blueberries.

CHINESE NEW YEAR Celebrate the coming of the year of the Rooster

With our selection of yau's noodles and sauces, produced in Peterborough they are very easy to use to create those authentic dishes.
